Praying God's Word in Your Teen's Life

There is nothing more important you could do for your teenager than to pray for them. An effective way to pray for your children is simply to agree with God about what He has already said He desires for their lives. You have hopes for your teens, but God has a plan for them. You have dreams, but God has a way. Teenagers can appear aimless and uncontrollable, and many adults write them off. But **GOD WANTS TO WORK IN YOUR TEEN!**

As you partner with God to raise your child, let your prayers be filled with the truth of His word. As you pray **HIS WORD**, your prayers will become like a blanket of love, hope, peace, and strength over their lives.

1. God, help my child to seek you and love you with all of their heart.

“Love the LORD your God with all your heart and with all your soul and with all your strength. These commands that I give you today are to be upon your hearts.”
- Deuteronomy 6.5-7
